

Wordpress Developer Job Description (Contractor)

We are looking for a skilled and ambitious Wordpress developer to research, design, and implement technical specifications for projects based on user requirements as indicated in the scope of work, wireframes, and sitemap documents.

Wordpress Developer Responsibilities :

- Ensure projects are built to meet performance, security, and functional requirements
- Oversee the development and maintenance of websites, intranets, applications, and other custom programming assignments as applicable
- Develop new programs, analyze current programs and processes, and make recommendations
- A WordPress Developer will provide analysis of current programs which includes performance, diagnosis, troubleshooting of problem programs, and designing solutions to problematic programming
- Perform backend/database programming for key projects
- Stay up to date on industry standards and incorporate them appropriately
- Assist with testing, debugging, documentation, and overall quality assurance of projects

Requirements

- At least 3+ years of experience with WordPress development
- Knowledge and development experience in PHP, CSS/HTML, JavaScript, jQuery (and/or similar JS libraries), MySQL (or other database management systems)
- ASP and web servers (ISS/Apache) is a plus
- Experience in custom web application development
- Ability to understand business requirements and the non-technical reasoning behind a decision or position, and present a clear, rational argument in favor of a proposed solution
- Advanced troubleshooting and debugging skills
- Ability to clearly and effectively communicate technical solutions to non-technical people
- Strong communication skills and attention to detail

Desired knowledge , skills, and abilities :

- Passionate about being the change through innovation and fresh thinking
- Familiarity with Christian organizations helpful
- Experience working with all levels in an organization; must be a team player and able to work collaboratively with and through others
- Ability to handle multiple tasks, prioritize, and work independently, using creativity and initiative to overcome obstacles and complete tasks accurately and on deadline
- Digital proficiency and a curiosity for emerging technologies
